Key Transition Updates- July 2023

- VAHBE Operational Readiness Reviews (ORRs) with CMS were successfully completed in early July. ORRs involved:
 - Executing specific test cases to produce expected results when a consumer applies for health and dental insurance coverage on the Exchange.
 - End-to-end testing of account transfers to demonstrate effective transition of receiving/sending Medicaid account transfers from the FFE to the Exchange.
- On July 13th CMS granted VAHBE the Authority to Connect (ATC) to the CMS Federal Data Services Hub.
- Policy-Based Payments (PBP) work with CMS has been initiated which includes the submission of the carrier workbooks validation of APTC data.
- VAHBE is in the process of finalizing Exchange website content.
 - Content will be in English and Spanish.
 - Interpreter services will be provided via the Exchange Consumer Assistance Center.

Key Upcoming Next Steps This Month

834 Testing

- Prepare to receive all pending Initial Enrollments by Monday 7/24.

RCNI and PayNow Testing

- RCNI testing initiates on Monday 8/7.
- Issuers should prepare to generate an RCNI file inclusive of all Test Cases.
- Issuers may submit RCNI file in advance of 8/7 if it is ready.
- Issuers may configure PayNow in the test environment at any time.

Provider Directory

- Ideon and GetInsured will be reaching out to issuers with SFTP details by today (Friday 7/21).
- Issuers should prepare to transmit sample providers.json file by Friday 8/4.

Agent and Assister Training and Certification Updates

- Registration for Plan Year 2024 training will open on July 28th.
- HBE will extend invitations to licensed Virginia agents, and agencies, and Virginia associations to register for training, and provide instructions.
- Training modules are expected to go live August 11th.
- HBE will utilize the Meridian Learning Management System (LMS) to offer agent, navigator, and assister training:
 - Users can log into their accounts 24/7 and can complete training at their own pace
 - Training will be free of charge
 - Agents with active PY23 certifications will be able to take a limited renewal curriculum
 - Agents must complete training and pass the exam with 80% or better for certification
- Training should be completed by October 10th for November 1st Exchange Certification
 - The Exchange cannot guarantee certification by November 1st for Agents not able to meet the October 10th training completion deadline

Training and Certification, continued...

- Agents will continue to be required to be licensed and in good standing through the VA Bureau of Insurance and will be required to sign a Virginia-specific agent agreement.
- Updates to requirements will be published on HBE's website, and communicated in Monthly Town Halls and via weekly email updates.

Transition Marketing Campaigns

Policy Updates

Deferred Action for Childhood Arrivals (DACA)

- On April 26, 2023, a new federal proposed rule would allow for DACA recipients to:
 - Purchase plans and receive income-based subsidies on healthcare exchanges
 - Participate in Medicaid or CHIP coverage for children and/or people who are pregnant in many states
- Federal Public comment period closed on June 23, 2023.
- The final rule is planned to take effect on November 1, 2023, to coincide with the Open Enrollment Period pending CMS notice.
- For more information, the proposed rule can be found at the [Federal Register](#).
